to ensure your place
at the conference**

The Public Defenders welcome all criminal law practitioners to attend their annual criminal law conference.

This year's conference will continue the high quality program you have come to expect, with an excellent panel of presenters. Covering both practical and topical subjects, the conference also provides an opportunity to meet with your colleagues from all over the State and beyond.

The program provides eight CPD points covering all four required strands for barristers.

Cost includes light lunch, morning and afternoon tea.

Parking is available at the Taronga Zoo car park at very reasonable rates.

We look forward to seeing you there.
