Note: the effect of statutory provisions relating to the application of sentencing patterns and practices:

s.25AA(1) (NSW) Crimes (Sentencing Procedure) Act applied to sentences imposed on or after 31.8.2018. It required a court to sentence an offender for a child sexual offence in accordance with the sentencing patterns and practices at the time of sentencing, not at the time of the offence.

This provision was replaced by s.21B(1) (NSW) Crimes (Sentencing Procedure) Act on 18.10.2022 which extends the requirement to all offences.
